Subject: RE: Memorandum and lay statements for CCCL and Milstead Trust

Thanks Lynley,

I have read the Memorandum, and I am comfortable to grant the request, which is not inappropriate in all of the circumstances. In any event, I note that leave is technically not required, as the request accords with our earlier directions that lay submitters who wish to file statements that address the expert conferencing outcomes have one working day after receipt of the conferencing reports to file their submissions (issued in response to the UCESI request, and clarified in our response to Council's Memorandum of 10 October 2023).

It would be appreciated if you could convey this advice to James, and lodge the witness statements on the website under "lay submissions".

Very best wishes,
Jane

Hi Lynley,

Please find attached a memorandum seeking certain directions for the Panel's consideration, together with two short lay-statements, if accepted for filing.

Kind regards
James
