

## **DISCUSSION DOCUMENT AND PUBLIC OPEN DAY KINGSTON VILLAGE PLAN CHANGE**

A discussion document on a proposed plan change for the Kingston Village is now available for comment.

### **The plan change**

The proposal involves changing the zoning of the land located directly to the south of Kingston Township from Rural General Zone to enable the future expansion of the township of Kingston. The new zone would enable additional residential development, in addition to some employment land, a school site, and open space areas, including the retention of the golf course.

### **Public open day**

If you have any questions or would like to discuss the plan change with senior council staff, please join us on **Sunday 30 March between 11am and 3pm** at the Kingston golf club.
