To: The Registrar
Environment Court
Christchurch

- 1 The Station at Waitiri Limited (**the Station**) wishes to be a party pursuant to section 274 of the RMA to the following proceedings (**Cardrona Appeal**):

Cardrona Cattle Company Limited v Queenstown Lakes District Council (ENV-2021-CHC-034) being an appeal against decisions of Queenstown Lakes District Council on Stage 3 of the PDP.

- 2 The Station made a submission about the subject matter of the proceedings.
- 3 The Station has an interest greater than the interest the general public has, in particular:
 - (a) The Station owns land located on State Highway 6, Gibbston Valley, east of the Nevis Bluff. The land is legally referred to in the record of title as Section 3 SO 24743 and Lot 4 DP 27395 as held within 410590 and OT19A/734 respectively (**Station Land**).
 - (b) The Cardrona Appeal concerns the proposed rezoning of land in close proximity to the Station Land (**Cardrona Land**).
 - (c) Given the proximity of the Cardrona Land to the Station, the outcome of the Cardrona Appeal is of interest to the Station.
- 4 The Station is not a trade competitor for the purpose of section 308A or 308C of the RMA.
- 5 The Station is interested in all of the proceedings.
- 6 Without derogating from the generality of the above, the Station is interested in the following issues in particular:

Chapter 18A General Industrial Zone

- (a) The relief sought to amend the provisions of Chapter 18A General Industrial Zone of the PDP.

PDP planning maps

- (b) The relief sought to rezone the Cardrona Land to an industrial zone, including amending the PDP planning maps to identify an Urban Growth Boundary around the site.

- 7 The Station supports the Cardrona Appeal, in so far as it is consistent with the relief sought in the Station's appeal (ENV-2021-CHC-061), because the relief sought will achieve the purposes of the RMA.
- 8 The Station agrees to participate in mediation or other alternative dispute resolution of the proceedings.
