

Queenstown Lakes District Plan - Summary of Decisions Requested for Private Plan Change 45: Northlake Zone – Addendum

Recently the Council notified a Summary of Decisions Requested for Plan Change 45. Unfortunately one submission that had been received within the statutory time period was not included in that summary. We are now notifying that submission for further submissions as required by the Resource Management Act.

How do I make a further submission?

A further submission can only support or oppose matters raised in this one original submission and must not raise new matters. You can only make a further submission if you represent a relevant aspect of the public interest (e.g. a community association or environmental organisation) or if you have an interest in the Plan Change that is greater than the general public (e.g. the Plan Change affects your property rights).

Further submissions must be sent in writing to:

QUEENSTOWN

Attention: Alyson Hutton

Or emailed to services@qldc.govt.nz (quote "Plan Change 45" in the subject line)

All further submissions must be received no later than **31 October 2013** and, within 5 working days of lodging it with Council you must serve a copy of it on the person(s) who made the original submission(s).

What happens next?

The Council will hold a public hearing to assess the plan change and all original and further submissions lodged to it, at which submitters may present their submissions. A decision will then be issued by the Council to withdraw, retain or modify the Plan Change. Any submitter/ further submitter not satisfied with the decision may appeal that decision to the Environment Court.
