Subject: Re: QLDC PDP Stage 2 Topics 29 and 30 Subtopic 9 mediation
Date: Tuesday, 1 September 2020 11:59:17 AM

Dear Karina, all,

Well Smart has been reflecting carefully on its points of appeal allocated to these Topics.

It wishes to withdraw its interest in them, which it understands is limited to rows 13 and 14; and therefore withdraw from / seek leave to be excused from mediation.

I am happy to file a formal memorandum to this effect, if required,

Kind regards
James
