1. Update on Progress on the Proposed District Plan and Other Key Projects

Ms Alyson Hutton prepared the report for this item. Ms Amy Bowbyes introduced the item, taking the report as read, and answered questions on Ms Hutton's behalf.

Ms Bowbyes highlighted changes with urban intensification variation and gave an update on the timeline for hearings and coordinating with submitters.

Members sought clarification on whether submitters on the urban intensification variation can present their submission at any of the hearing venues (which are at Arrowtown, Queenstown and Wānaka), irrespective of the location that their submission is on. Ms Bowbyes confirmed that submitters can present their submission at any venue and confirmed that the option of presenting a submission by phone is available but must be pre-arranged in advance with the Hearing Administrator. Discussion followed on where alternate advice may have come from.

Discussion and questions on the Wāhi Tūpuna Layers focused on general updates, clarification on the statement 'resources to allow', and was followed by brief discussion of special zones.

Timeframes for the Landscape Schedule mediation were discussed, and whether the length of mediation (8 days) was indicative of complexity. Brief discussion on scheduling focused on whether the intention was to have Landscape Schedule mediation before the second stage of hearings.

There was continued discussion and questions on the Wāhi Tūpuna Layers including clarifying the plan change process, and the approach that was taken when the Wāhi Tūpuna mapping and provisions were included in the Proposed District Plan.

The Chair sought specific updates on the Jeremy Bell Investment appeal. Ms Bowbyes confirmed that the appeal is progressing.

On the motion of Councillor Bartlett and Councillor Bruce it was resolved that the Planning & Strategy Committee:

- 1. Note** the contents of this report;
- 2. Note** the updates on timing and progress on projects undertaken by the Planning Policy team.

Motion carried unanimously.
